

Spiritual Growth Exercise for April 2017

It's All In a Word

Words have incredible power. Focusing on a particular word can add richness to its meaning.

During the month of April I invite you to select a word related to springtime.

1. Define it in your own words.
2. Describe it with great detail.
3. Perhaps even use the letters of the word to create a poem or quote that fits you.
4. Have fun!

Here's an example I found:

A bove the earth
P recipitation falls
R aindrops
I will get wet
L augh
